That might even be the case. However...
The so-called priest should be able to cast aside all his worldly troubles.
He may be too inexperienced, or his heart too unsettled...

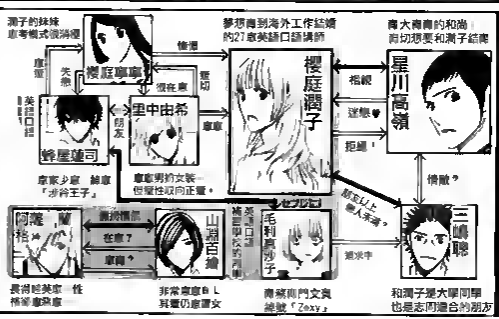
Current Character Relations



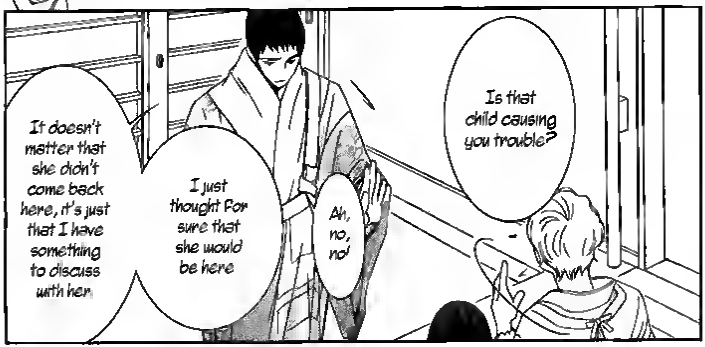
You were the only one who was able to get the Prince's phone number, so it's all up to you now!!!
No, I can't, Tanaka
Also, the only reason that I managed to get his number is because of Onee-chan
All I know is his phone number and I haven't even tried calling him yet
Also! Be sure to invite the Prince's friends to come, as well.
Worst case scenario, that weird cross-dressing guy will show up
FLUSTERED
Didn't you get along with him really well last time?
SWEAT
SWEAT
SWEAT
There's nothing special with being able to get along...
Send me a message when you finish arranging it. Everyone is really looking forward to this. Ah, the bus is here so it's decided then.
Yu-Yuki isn't...
DING-DONG
She hung up...
Ah
the worst case scenario...

Pardon me, is anyone home?
Th... that voice sounds so nice.
Coming!
Ah.
Su-Sure, Obaa-san.
Sorry, Imouto, but can you get that? I'm a bit busy at the moment
shock
step
step
The voice was such a soothing sound...
Sorry,
for keeping you wait-ing
Pardon me,

May I see Junko-san, please?
For my intrusion.
My name is Hoshikawa.
I think this is the first time we've met Are you Junko-san's little sister?
Dumbfounded.
What?! This person is...?!
Aren't monks supposed to be old baldies?
Thank you for taking care of Junko...
Oh, if it isn't the young master

#CUTESWORLD SCANS

Impossible... So young and handsome, and his build is so tall!
Oh..?
Isn't she supposed to be with you?



Is that child causing you trouble?
Ah, no, no!
I just thought for sure that she would be here
It doesn't matter that she didn't come back here, it's just that I have something to discuss with her.

So this person is Yuki's rival... Huh...
Oh, no, what should we do?
Imouto, please hurry and go give Junko a call right now
I hope

that the matter regarding the wedding between Junko-san and I can be arranged as soon as possible
So, I was hoping that you could help me.
The sooner, the better.
Before, my superior had already hinted that I will need to start preparing to go abroad.
They will probably issue my transfer order within 6 months and after that,
I will immediately leave for New York.

Do you have any plans?
Ah.
Plans...
Have the dates for New York been set yet?
From the looks of it, it seems like I'll be there to help develop and expand a new business.
But, we need to have a good foundation here before we can proceed to expanding in New York.
That's amazing!
To be able to go to a metropolis of dreams and desires and entering the world of Gossip Girl...
Although he just mentioned it casually,
You're not a young girl anymore, yet you still like to daydream like this.
could it possibly be a "Will you come with me?" type of hint?

That must be it.
If I were able to go and live abroad, it would be amazing if I can go to places Serena and Blair would frequent and meet people like them.
..But what you want to do is something only a handful of socialites can do.
Never mind, but I heard that there will be a lot of family parties and gatherings
Usually, the wives of relocated employees find it difficult to cope with. What about you, can you cope with it?
Wife..
Wife?! Please stop spouting nonsense!
No,
I wasn't sprouting nonsense.

#OUTERWORLD SCANS

Isn't that what you hoped for all along?! Your dream of being able to live aboard
Moreover, you'll be an elite salary-man's wife! Living in New York!
And Mishima-san, as well... From the looks of the situation, he should be proposing to you soon
Isn't it better this way?
You don't need to live in the temple and learn complex tea ceremonies and flower arrangements anymore.
And you won't be surrounded by monks anymore.
But.. living in the temple wasn't that bad

...You sounded like you were sprouting nonsense
Family parties are my specialty!
Exactly my cup of tea.
Sakuraba...
Oh, but I can't just leave straight away
And then there is my job...
You should know that I don't want to quit working.
Didn't you sign up to take the esteemed certification test? Although it hasn't been scheduled yet,
If you passed, can you leave the country and work abroad?
NERVOUS

...About that, I didn't participate.
There has been a lot going on lately and I didn't think it was a good time for me to take part
Oh... Is that so?
Then does that mean once you leave the country, you won't be able to carry on working at the ELA...?
Well, if it's a job, you can always look for another one.
I'm also hoping that you can have your own career.
Why?
Why do I have to hide,
when there actually isn't anything to hide...
when I can't just straightforwardly say, this is all because of Hoshikawa's obstruction?
It was just a coincidence!

Me too, me too.
It's just a coincidence that the cafe I wanted to visit today was near Mishima's apartment. That's the only reason I'm here!
What are you trying to say here, and why are you following me?
Because I'm also very curious whether little Junko and glasses are together.
Also,
why is Yuki here with you!?
MUMBLE MUMBLE
TALKS QUIETLY
That's because Yuki is the one who's actually worried about little Junko
WHISPERS

CUTEMANGA SCANS

But don't you think this is strange?!
It's like a line triangle!
Huh? He's not my girlfriend.
How can you bring your girlfriend here while you're with me?! This is ridiculous!!!
There's no need for you to deny it anymore
that.
...This is so annoying. Man... can you really not tell that he's...
I think I'll be going back first
If you want to go to glasses guy's place, the two of you can go by yourselves!
Wait— Hey, wait!
...If it's really true, and I see her and glasses guy together...
even though I'm really worried and really want to see her,
...Because

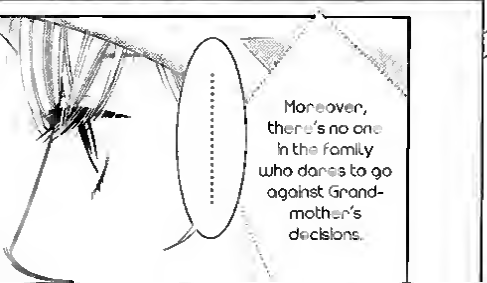
If it's going to be like this,
I might as well give up...
Why?
Both the monk and the glasses guy have been embraced now,
so wouldn't the next one be you?
What? Don't make me sound like some kind of concubine waiting to be embraced!
RING
RING
RING
RING
RING
Whoa, you scared me there for a sec.
Who can it be?
Hold on, I have a phone call.
!
turn
...Um, it's me.

Eh, eh, eh... Um, um, I'm really sorry
This is Yuki, right...? Sorry to disturb you
This is so sudden, me calling you out of the blue... I'm so sorry
I'm really sorry
Sorry,
Junko's little sister... I can feel your apologetic sincerity entirely
sorry
What is it? Did something happen? I think that this is actually the first time that you've called me.
That... That's because I tried calling Onee-chan's cellphone but nobody was picking up.
so I thought I'd try asking you if you knew where she was
Also... It's because right now...
the monk is at my house

He said that he wants to officially discuss the marriage proposal with Grandmother.

..I mean, the person whom this affects the most isn't even here at the moment...

what should I do..?



.....
Moreover, there's no one in the family who dares to go against Grandmother's decisions.

The monk that Onee-chan knows is at my house right now
And then, there's also how Onee-chan feels about all this.

Um, uh, that is.
My apologies
What is it, Imouto?
Sorry to disturb your discussion I'm really sorry
That is, there's a phone call for the Abbot.
Here. This is.
because he said that you knew each other and asked me to hand the phone over to you.
The person on the phone is Tanaka Yuki.

Because of Hoshikawa's obstruction I cannot go abroad to assume a post anymore.

It's because he's in love with me, and he wants me to stay by his side,
so he specifically goes out of his way to obstruct me. This is too much.
This isn't love at all, with his restricting tendencies.
FSSHH
FSSHH
Because I hate this kind of "love," I ran away
(But, why is that I just can't seem to tell Hoshikawa these words?

I need to hurry up
and call Mori-san to cancel the date for tonight...
Since right now...
OPENS
Sorry for keeping you waiting.
Oh,
are you getting ready to leave for the cafe already?
No.
You don't need to hurry, you can take your time getting ready and collecting your things.
I'm just going to pop out to the convenience store downstairs for something.
I want to go, too.
My stockings are torn from yesterday when I tripped and fell
Is that so?

CUTESHWORLD SCANS

Why... Why is everyone here..?
Moreover, what are you even doing here..?
I'm here to pick you up

Let's go.

FUTEKIWORLD SCANS

Are you an idiot?!
..The reason that I'm upset
and why I didn't return last night. You..
